Digital Citizenship Theme of the Month:

Cyberbullying and Digital Drama

What does it mean to be a bystander to cyberbullying?

A bystander sees cyberbullying happening, but does nothing to help. Some bystanders also might get involved in the bullying, and some will spread the disaster further by recruiting even more bystanders.

What are some things a bystander can do to become an upstander?

Show understanding and support for the target, don't react to the bully, tell the bully to stop, or ask a trusted adult for help. Remind students that a trusted adult is someone who you believe will listen and has the skills, desire, and authority to help you.
